## Colegio Arenas Sur – Noticias 25 Aniversario

**El CAS se convierte en Admissions Test Centre para facilitar el acceso a universidades en el mundo.**

Continuando con su vocación internacionalista (ya imparte el Programa Diploma del Bachillerato Internacional y es Centro Base de Evaluación para los exámenes Cambridge ESOL y DELE de español como segunda lengua otorgados por el Instituto Cervantes), **el Colegio Arenas Sur (CAS) impulsa nuevas líneas de apoyo a las familias y servicios al alumnado: este curso realizará pruebas de admisión específicas de universidades tales como los BioMedical Admission Test, o el Sixth Term Examination Paper.**

La autorización como Cambridge Assessment Admissions Testing Centre permitirá no solo a nuestro alumnado sino a otros estudiantes canarios el acceso a pruebas que son requisito previo en multitud de universidades y que se realizarán previo abono de las tasas oficiales en el propio centro en las fechas publicadas en la [web](#).
